9 Reasons Lanyards Are Important Give Aways

2

They have numerous uses - Many people may associate the lanyards only with securing identification cards, but there's so much more you can do with them. Such as holding keys, purses, pens even as budget handouts for promotions.

4

Lanyards are easy to give away - They do not require several large boxes, so they are easy to transport and hassle free to distribute, just hand them out.

6

They are portable - The size makes them not only affordable but also portable. For this reason, people will wear them almost daily. In the office, on the field, in class, in the taxi, on the bus; many even forget and still leave them on outside of the office.

8

You can choose from different designs - Lanyards are highly versatile. They can come in different colours, thicknesses, and lengths. They have different branding processes available and different fittings that offer various uses for the lanyards.

1

It brings your business to millions of potential customers The areas in which lanyards are used for identification purposes for id cards in universities, colleges, businesses, schools, events, conferences and other events. Now, let's pretend each of these individuals know at least 3 people, it means a single lanyard can expose your business to numerous potential customers.

3

They don't break the bank - the low price of lanyards makes them ideal for budget promotions, especially if you want to reach a larger audience.

5

People will appreciate them - When it comes to promotional marketing, it's not enough that you are giving away the trendiest and the most unique product. Sometimes it is just as essential to ensure these are items your recipients can actually use on a daily basis all year round. Lanyards don't have shock value, but because they have so many uses, your recipients will have no reason not to appreciate receiving them.

7

They can complement other giveaways - No rule says you can't give more than one promotional product away at a time. It's no longer uncommon for brands to create bundles. They may give away a pouch, a pen, a t-shirt, a wristband etc

9

All industries can use them - Because of their numerous uses, lanyards can be used to promote business in any industry.
